A Spacious Victorian Home with Excellent Potential

An attractive Victorian terrace house offering character, generous accommodation and considerable scope for improvement, ideally situated in a popular residential location close to Littlehampton town centre, the mainline railway station and the River Arun.

Currently arranged as two separate living spaces, the property offers a versatile layout comprising two kitchens, two shower rooms and two generous reception rooms, together with gas central heating with smart heating controls, owned solar panels and an air source heat pump. The property remains held under a single title, with the two areas currently sharing utilities.

The property also benefits from a cellar, providing useful additional storage space and further potential for a variety of uses, subject to any necessary consents.

The accommodation would benefit from cosmetic modernisation throughout, providing an excellent opportunity for a new owner to update and personalise the property to their own requirements and style.

A particular feature is the property's versatility. Subject to the necessary consents and any required alterations, the existing arrangement could potentially be reconfigured to create a spacious family home with three double bedrooms and two reception rooms.

To the rear, a private south-facing garden provides a pleasant outdoor space, complemented by the useful benefit of rear access.

The property is offered for sale with vacant possession, making it an appealing opportunity for buyers seeking a character property with flexibility, useful additional features and significant potential for improvement.
