Location

The medieval town of Newport is known as "the jewel in the crown" of North Pembrokeshire. The two largest beaches are Traeth Mawr (Big Beach or Newport Sands) on the northern side of the Nevern Estuary, and The Parrog, ever popular with boat enthusiasts, on the south side. The Nevern Estuary is teeming with wildlife and birds. Carningli Mountain stands to the south of Newport, with standing stones, ancient forts and hut circles. The town also boasts a wide range of shops to cater for every need. There are also fine restaurants and several pubs, as well as a tourist information centre.
