## THE PROPERTY

1 Maie Cottage is an attractive semi-detached home situated in the heart of Uploders, enjoying a generous garden and delightful far-reaching views along the valley. The property is entered via a useful porch, providing space for coats, boots and everyday storage, which in turn leads into the welcoming sitting room. A spacious and comfortable room, the sitting room benefits from an electric fireplace and serves as the heart of the home. Adjacent is a ground-floor bathroom fitted with a bath, WC and wash hand basin.

Beyond the sitting room, the accommodation flows into a dining area and kitchen, both of which are light-filled and well-proportioned spaces ideal for modern family living. The dining area enjoys the added character and warmth of a wood-burning stove with back boiler, providing hot water to heat the radiator on the first-floor landing. To the rear of the property, a delightful conservatory overlooks part of the garden and provides an excellent additional reception space, with direct access outside.

On the first floor are two double bedrooms and a further single bedroom. The principal bedroom is particularly spacious and benefits from a dual aspect, allowing for an abundance of natural light and ample space for freestanding furniture. The second bedroom includes a useful built-in storage cupboard, housing the hot water cylinder and offering additional linen and storage space.
