THIS IS AN EDWARDIAN SEMI DETACHED HOUSE SITUATED IN A QUIET CUL DE SAC WHICH IS NOW IN NEED OF A GENERAL REFURBISHMENT AND UPGRADE PROGRAM.

Being located on Carrfield Avenue, which is a quiet road on the outskirts of Long Eaton, this three double bedroom Edwardian semi detached house provides the opportunity for a new owner to stamp their own mark on their next property. For the size and layout of the accommodation and privacy of the established rear garden to be appreciated, we do recommend that interested parties undertake a full inspection so they can see everything included in the property for themselves. The property is well placed for easy access to all the amenities and facilities provided by Long Eaton and the surrounding area and to excellent transport links, all of which help to make this a very popular and convenient place to live.

The property stands back from the road with a walled area at the front and is constructed of brick to the external elevations under a pitched tiled roof. The accommodation derives the benefit from having gas central heating and from being mostly double glazed and being entered through a composite door at the side includes a reception hall which we believe may have original Minton tiled flooring beneath the carpet, but this will need further investigation, the stairs lead to the first floor and there is a large understairs storage cupboard, the lounge is positioned at the front and there is a separate dining/sitting room from which a door leads into the kitchen with there being the opportunity to combine the existing kitchen and bathroom to create a large breakfast kitchen if this was preferred by a new owner. To the first floor, the landing leads to the three double bedrooms and there is the potential to divide the middle bedroom to create a first floor bathroom and keep a third bedroom if this was something a new owner wanted to undertake. Outside, there is the walled area at the front, a path runs down the left hand side of the house to the main entrance door and to a gate which provides access to the long and established rear garden.

The property is only a few minute's drive away from the centre of Long Eaton where there is an Asda, Tesco, Lidl and Aldi stores, as well as many other retail outlets, there are excellent schools for all ages within easy reach, healthcare and sports facilities including the West Park Leisure Centre and adjoining playing fields, walks at Toton Fields and Attenborough Nature Reserve and the excellent transport links include Junction 25 of the M1, East Midlands Airport, stations at Long Eaton and East Midlands Parkway and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.
