Forming part of this modern development and presented in immaculate order throughout, B Simmons are delighted to present to the market this semi-detached house with a detached garage and driveway at the rear of the property, and overlooking a central park with a children's play area.

As you enter through the front door you walk into an entrance hallway with 'Clever Closet' built in understairs storage, 'Porcelain' style tiled flooring, stairs leading to the first floor and doors to; a fourth bedroom, a downstairs W.C and a spacious modern fitted kitchen/diner with French doors out to the rear garden. On the first floor there is an 'L' shaped living room with French doors to a 'Juliet Balcony', a double bedroom and a separate W.C. Stairs lead to the second floor landing where there is access to a fully boarded large loft, a family bathroom fitted with a three piece suite and shower attachment over the bath, another double bedroom and the master bedroom with an ensuite. Outside the front and rear gardens have been landscaped by the current owners giving a pleasing environment for outdoor entertaining. Accessible from the rear garden is a detached garage with power and lighting, and an allocated parking space to the side of the garage with an EV charging point. The property further benefits from having 14 solar panels, which charges a Tesla Powerwall 2 13.5 kW battery, and feeds electricity back into the grid making considerable savings on the electricity bill.

Langley Woods estate offers local residents a well maintained and attractive community, with several green spaces and tree-lined roads. The development is well serviced by local shops and amenities, with Langley High Street and Railway Station (Elizabeth Line) within walking distance.
