Situated in the heart of Oakham, this beautifully renovated three-bedroom home offers a rare blend of traditional charm and contemporary living. Lovingly restored to an excellent standard, the property showcases elegant period features alongside modern comforts, with a thoughtfully designed layout and generous proportions throughout. Set on a substantial plot, it benefits from a large private garden, off-road parking for multiple vehicles, and a detached single garage.

A welcoming entrance hall sets the tone for the home, with original detailing and tasteful decor continuing throughout the ground floor. The spacious living room to the front elevation is bathed in natural light via a wide bay window and features an attractive traditional fireplace. To the rear, a similarly sized dining room offers a stylish setting for entertaining and family dining, which also benefits from stylish design and modern fixtures and fittings.

The heart of any home is its kitchen, and whilst this aspect of the property is yet to undergo the same level of transformation, it is offered to the market as a large, practical, and fully functioning family kitchen. It benefits from rear aspect views to the garden, alongside ample space and excellent opportunities for future development and personalisation. A separate utility cupboard and a conveniently located ground-floor cloakroom/WC add to the home's practicality. On the first floor, the property boasts three well-proportioned bedrooms. The master bedroom is particularly spacious and enjoys views over the front aspect, while bedroom two offers generous dimensions ideal for a double room or guest space, whilst bedroom three is currently utilised as a nursery. A contemporary family bathroom completes the upstairs accommodation, finished to a high specification with quality fixtures and fittings.

As part of its recent renovation, the property has been installed with a modern heating system, including feature copper pipework and polished cast-iron radiators, restored original flooring, stained glass, and sash windows throughout. These features have elevated Station Road to a premier home in a sought-after location.

Externally, the property excels with a large, private rear garden designed for both relaxation and entertaining, featuring mature planting and a patio area ideal for outdoor dining. A single detached garage and private driveway provide secure parking for three or more vehicles.

Station Road offers a unique opportunity to acquire a characterful, turnkey home in a prime central Oakham location — just a short walk from the town's boutique shops, restaurants, and highly regarded schools, with excellent rail and road connections nearby.
