SELLER'S SECRET

I believe this property has been our family home from new back in the 1920's and has housed 3 generation of our family in that time. It's now time for someone else to get the enjoyment we have experienced over the many years.

Why we like it....

This property presents a wonderful opportunity some somebody to return this property back to it's former glory and add equity to the property by doing so. Early viewings highly recommended to avoid disappointment.
