Property Description

Situated on a well-established residential road in Erdington, this traditional three-bedroom mid-terraced home presents a strong opportunity for buyers seeking space, potential and long-term value. Offered with no upward chain, the property would benefit from modernisation, making it ideal for those looking to add their own finish and increase value over time.

The ground floor is centred around a bright bay-fronted lounge, creating a welcoming living space with excellent natural light. To the rear, the kitchen provides a practical layout with direct access into the garden, while the family bathroom is also positioned on the ground floor. The current configuration offers flexibility for buyers who may wish to reconfigure or extend, subject to the necessary consents.

Upstairs, the property comprises three bedrooms including a particularly spacious principal bedroom spanning the full width of the house. The remaining bedrooms offer versatility for family use, guest accommodation or a home office. Externally, the rear garden provides generous outdoor space with clear potential for landscaping and improvement, while the frontage retains the classic terraced character of the road.
