A beautifully presented four-bedroom detached family home, occupying a sought-after position within the popular village of Worton and having been significantly improved and updated by the current owners. Offering generous and flexible accommodation, a superb rear garden, substantial workshop and ample driveway parking, the property also enjoys a wonderful outlook across neighbouring fields.

The ground floor is particularly well suited to modern family life, with the accommodation centred around an impressive open-plan reception/dining room measuring over 21ft in length. This creates a fantastic main living and entertaining space, with direct access onto the garden. Alongside is a separate reception room providing further flexibility as a snug, family room or home office, while the kitchen is well arranged with a good range of cupboard and worktop space.

A useful utility room sits to the rear, together with a further room currently arranged as a gym (converted from the garage), offering excellent additional flexibility depending on requirements.

Upstairs, the property offers four bedrooms, including a generous principal bedroom with fitted storage and its own en-suite shower room. Bedrooms two and three are both well-proportioned, while the fourth bedroom is currently arranged as a study and could equally serve as a nursery or occasional guest room. A family bathroom completes the first-floor accommodation.

Externally, the generous rear garden is a real feature of the property, providing an excellent setting for family life and entertaining. A substantial workshop offers superb storage or hobby space, while a covered pergola creates a sheltered seating area ideal for year-round use. The garden backs onto open fields, further enhancing the sense of space and privacy.

To the front, ample driveway parking completes this impressive and thoughtfully updated village home.

Situation
Windrush is situated in the centre of this popular village. Worton is located in the heart of Wiltshire about 3 miles from the historic market town of Devizes. Devizes caters for most day to day requirements whilst the larger centres of Salisbury, Swindon, Bath and Newbury are all within easy motoring distance. The M4 to the north and the A303 to the south provide fast road access to London and the West Country; main line rail services are available from Chippenham and Pewsey (Paddington just over an hour). Those with an interest in country and leisure pursuits are well catered for in the area and there is a good choice of both private and state schools in the region.
