Cinderford is a town located in the Forest of Dean district of Gloucestershire. It lies in the eastern part of the Forest of Dean, approximately 14 miles (22.5 kms) east of the cathedral city of Gloucester.

Historically, Cinderford was a prominent mining and industrial town, with coal mining being a significant part of its heritage. The town played a vital role in the production and transportation of coal during the height of the mining industry in the area.

Today, Cinderford has transformed into a vibrant town with a diverse range of amenities and attractions. The town centre offers a variety of shops, supermarkets, pubs, cafes, and restaurants, providing residents with convenient access to everyday necessities and leisure activities. The town also has community facilities and services, including the new community hospital, schools, a library, a leisure centre with pool, and a local market.

Cinderford is surrounded by beautiful woodlands, making it an excellent base for outdoor enthusiasts. The nearby Forest of Dean offers numerous trails and recreational opportunities, such as walking, cycling, and wildlife spotting. Popular attractions in the area include the Sculpture Trail, Puzzlewood, the Dean Heritage Centre and the restored Dean Forest Railway.
