Detached stone cottage in sought-after Milldale, Peak District.

Set on 0.18 acres with 3 double bedrooms, 2 receptions, generous garden, off-street parking, and no upward chain.

A rare opportunity with character, privacy, and scope to update.

Doveside Cottage is a detached stone-built property occupying a generous plot of approximately 0.18 acres, set in the heart of the picturesque hamlet of Milldale within the Peak District National Park. This three-bedroom cottage offers a rare opportunity to acquire a characterful home in one of the area's most sought-after locations. With a peaceful setting and attractive outlook, the property benefits from a sense of privacy and space, while remaining part of a welcoming village community.

Positioned in the heart of Dovedale, the cottage enjoys beautiful views over the River Dove and the historic Viator Bridge. A wealth of walks begin right from the doorstep, including scenic routes along the Dove to the famous Stepping Stones in one direction and the charming village of Hartington in the other, as well as to nearby villages such as Tissington, Wetton, and Ilam. The Tissington and Manifold Valley cycle trails are also easily accessible, and permits for trout fly fishing in the River Dove are obtainable. Two country pubs are within comfortable walking distance, enhancing the appeal of this idyllic rural setting. Ashbourne, with a wide range of shops and amenities, is just a 15-minute drive away, and Buxton is also within easy reach by car.

The property itself is a pre-1850s stone-built cottage, tastefully extended in the late 1960s to more than twice its original size using matching local stone, blending traditional character with enhanced space and versatility. The accommodation includes two reception rooms, three double bedrooms, and a layout that lends itself well to reconfiguration or updating, making it ideal for buyers looking to modernise or personalise their next home.

Outside, the cottage offers off-street parking via a spacious parking area and a generous garden that wraps around the property, further enhancing the appeal for those seeking outdoor space in a scenic rural setting. Available with no upward chain, Doveside Cottage presents a rare chance to create a home in an idyllic Peak District village, combining location, character, and potential.

Entering the property, the entrance area features quarry tile flooring, leading into the dual-aspect sitting room with windows to the front and side, fitted with secondary glazing. A door opens to the outside, while steps lead to a raised seating area with a staircase to the first floor.

The dining room continues with quarry tile flooring and includes two front-facing windows with secondary glazing. A feature open fireplace with stone hearth creates a focal point. An open archway connects through to the kitchen.

The kitchen is fitted with quarry tile flooring and rolled-edge work surfaces, including an inset composite sink with drainer and chrome mixer tap, set against tiled splashbacks. There is appliance space and plumbing for a dishwasher, washing machine, fridge, freezer, and a freestanding oven. Wall-mounted cupboards offer additional storage, and a door provides access to the rear courtyard garden.

The guest cloakroom includes a corner wash hand basin, low-level WC, and built-in shelving for convenience.

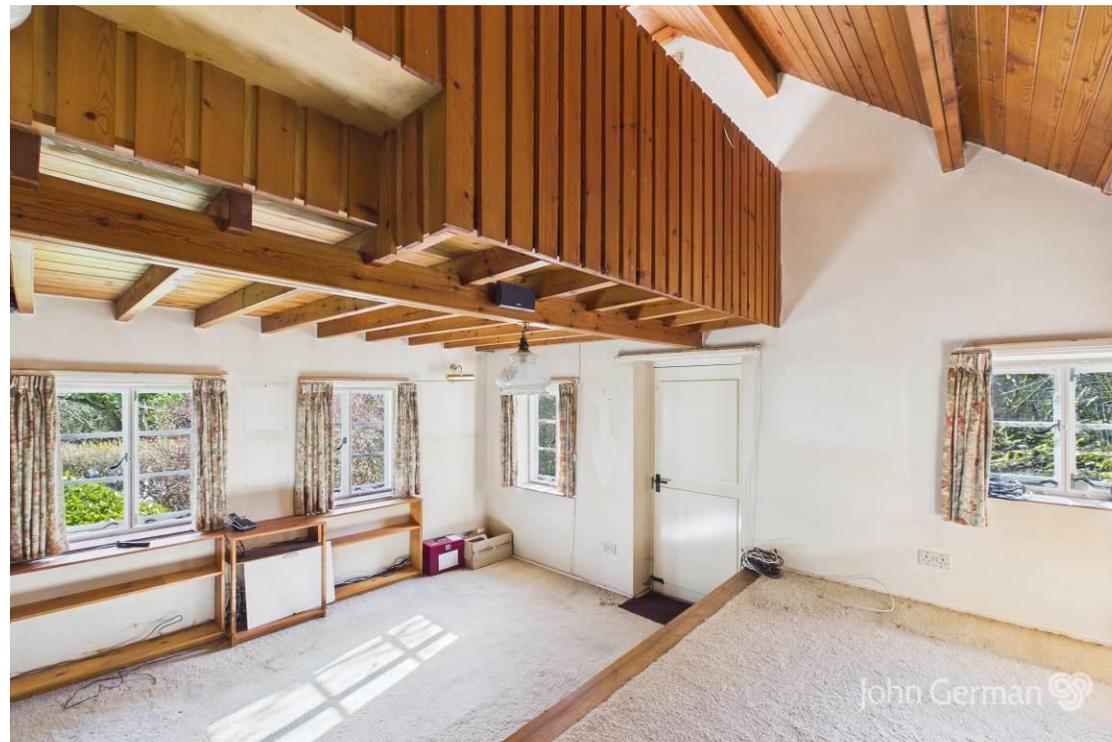

On the split-level first floor landing, doors lead to the bedrooms and the bathroom.

Bedroom one is a mezzanine-style double with dual aspect windows to the front and side, offering views across the garden, River Dove, and Viator Bridge. Built-in cupboards provide storage.

Bedroom two is a spacious double with built-in wardrobes and access to the loft. Bedroom three is also a double, with built-in storage.

The bathroom is fitted with a wash hand basin, low-level WC, bath with chrome mixer tap and hand-held shower attachment, and an electric towel rail.

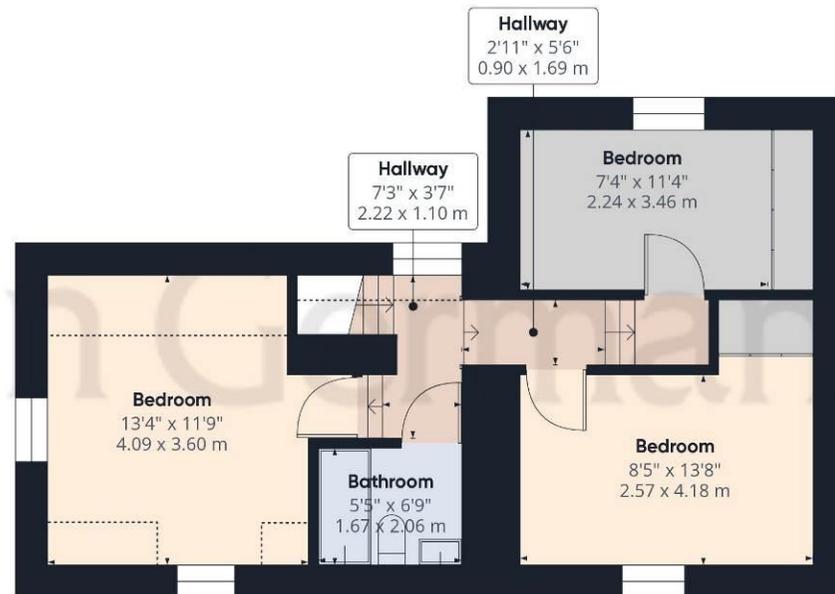

Outside, the front garden features a lawn and seating area with established planting beds, enjoying views of the Dovedale Valley and River Dove. To the rear, there is a low-maintenance courtyard-style garden with a seating area and an outbuilding/former WC. One of the property's standout features is the generous lawned garden to the side, with mature trees, hedging, and planting borders, leading to a spacious parking area that provides rare off-street parking within the village.
