The accommodation is arranged over three storeys and benefits from LPG-fired radiator central heating, secondary glazing to most windows. There are open rural views from the front elevation of the house across local farm land.

In brief, the accommodation comprises an entrance porch with a cobbled stone floor. This leads into a warm and welcoming entrance hall with a ground floor WC. There is a large southerly facing sitting room with a feature fireplace. The well-appointed kitchen offering ample storage, a range of integrated appliances, additional appliance space if required, and a door to the garden. To the first floor is a spacious landing area with an exposed stone wall, with the landing housing a useful airing cupboard. On this floor are two double bedrooms and a shower room fitted with a large walk in shower, WC, and wash basin. On the second floor main bedroom is of a generous size with dual aspect views. If required the loft area offers potential for conversion into additional accommodation, subject to the necessary planning consents.

The village of Buckland Brewer, with its rich agricultural heritage, is just a short drive from the property. The village offers a community run shop, a modern village hall, a primary school, a choice of church and chapel, and the highly regarded Coach and Horses inn. The market town and working port of Bideford, located on the banks of the River Torridge, is approximately 10–15 minutes' drive away, where there are a wide range of facilities, including schooling for all ages. North Devon's regional centre, Barnstaple, lies approximately 30 minutes away and supports an extensive range of shopping, business, and commercial amenities.
