THE PROPERTY
This modern detached property has been built to a very high specification, benefiting from timber double glazing, attractive timber doors and underfloor heating.

The property is arranged briefly as follows: a pillared storm porch leads to a reception hall, sitting room with a feature brick fireplace and wood-burning inset, living room with 3-door bi-folds opening out to the rear, a cloakroom and study.

The real feature of this home is the kitchen/dining room/living room being triple aspect, fitted with an excellent range of units, an island unit with breakfast bar, and there are two sets of bifold doors opening out onto the rear garden.

On the first floor are four good-sized bedrooms, two having en suite shower rooms and an attractive family bathroom with a white suite.

OUTSIDE
The house is approached over an area of shared driveway leading to a brick block drive. Timber gates lead to a double carport and, in turn, lead to a single timber garage.

To the front is a lawned area of garden, whilst to the rear the garden is laid to lawn with patio, trellis, mature trees, light, power and tap, gravelled beds, shed and deep stocked borders.

SITUATION
