Description

Lovely lifestyle choice, a unique flexible home tucked away in a quiet setting and yet in close proximity to Sand Bay beach, a wonderful near coastal position. A former double garage has been converted to a fabulous 22' x 18' games room, and this could be adapted to a self contained annexe, if required for dual occupancy, courtesy of a large L-shaped lobby and separate entrance from the main house. The house offers 3 double bedrooms to the first floor, however, there is potential for 4 or even 5 bedrooms if desired. The 17' lounge features a stylish contemporary wood burner and the kitchen measures an impressive 21'7" x 13'7". Both of these rooms lead out into the private, enclosed southerly facing rear garden and to a particular feature of this characterful home, a large indoor swimming pool complex, complete with WC, shower room and pump room. The addition of freehold, owned solar panels also make this home very energy efficient. An extremely rare opportunity, hence internal viewing comes highly recommended.
