### DESCRIPTION

Old Barn is an attractive attached two storey barn conversion of traditional brick construction under a pantile roof. The property represents a super opportunity to acquire a charming home which is beautifully presented but also represents a rare opportunity having not been on the open market in over 21 years. The property enjoys well-balanced and versatile accommodation arranged over two floors, with scope to suit a variety of buyers in a particularly sought after location.

The property is approached through a gate into the Cart Lodge which has a vaulted ceiling and revealed roof timbers and also gives access to the rear garden and to a useful storage room/home office. The front door opens into the entrance hall providing access to a shower room and cloakroom and onwards to the sitting room and kitchen.

The principal rooms include the 19ft sitting room with electric log burner surrounded by an exposed brick fireplace and acts as a highly attractive feature of Old Barn. From the sitting room double doors lead through into the dining room/bedroom three and then on to the garden room with delightful views and access on to the gardens.

On the first floor, two bedrooms are approached off a particularly spacious landing area. A notable feature of the house is the amount of built-in storage throughout the first floor and in the bedrooms. Both first floor bedrooms are comfortable doubles and enjoy a pleasant outlook. Original roof timbers are revealed throughout the first floor.

To the rear, the property benefits from a pleasant, low maintenance garden, thoughtfully arranged to provide an attractive yet easily managed outdoor space. The garden offers an ideal setting for al fresco dining and there is space for general planting, whilst offering a high degree of privacy. In addition, and importantly, there is both parking and a garage for Old Barn.
