DESCRIPTION

Delahays Road is predominantly lined with traditional semi-detached houses, set well back from the carriageway within mature surroundings. This residential setting is highly sought after, being approximately one mile from the centre of Hale, with its range of individual shops, fashionable restaurants and railway station. The property also lies within the catchment area of highly regarded primary and secondary schools. A little further afield is Altrincham town centre, with its popular Market Hall offering a variety of establishments, including small independent retailers and informal dining options, together with the Metrolink station providing a commuter service into Manchester. The area is also well placed for access to the surrounding motorway network.

This attractive gable-fronted family house has partially rendered elevations set beneath a tiled roof and the generously proportioned interior retains much of its original character and charm, including curved cornices, panelled doors and feature fireplaces, enhanced by modern fittings and well-planned living space.

The accommodation is approached via a wide entrance hall, featuring a spindle balustrade staircase leading to the first floor. Natural wood flooring continues seamlessly into the spacious sitting room, where a cast-iron open fire provides the focal point. To the rear, the dining room has been refitted with Amtico flooring and there is an impressive stone fireplace surround with coal/wood-burning stove. In addition, double-opening French windows provide access to the paved rear terrace and the adjoining living area features a stunning revealed brick chimney breast. The adjacent kitchen is fitted with Shaker-style units and granite-effect work surfaces, alongside a range of integrated appliances. Completing the ground floor is a cloakroom/WC with traditional fittings.

At first-floor level there are three excellent bedrooms, two benefiting from fitted furniture, together with a modern bathroom/WC incorporating a separate shower enclosure and electric underfloor heating. A further double bedroom is located on the second floor with a fully tiled en suite shower room/WC.

Gas fired central heating has been installed together with PVCu double glazing and encapsulated stained glass.

Externally, off-road parking is available for three cars within the wide block-paved driveway and there is gated access to the side. The private rear gardens have been landscaped to incorporate a paved terrace which is ideal for entertaining during the summer months and a lawn bordered by a variety of mature trees and well-stocked raised flower beds. Importantly with a westerly aspect to allow enjoyment of the sunshine throughout the afternoon and into the evening.
