Lakenheath, Brandon, IP27

Price £280,000

Description

This stunning, detached bungalow offers 818sqft of contemporary accommodation, plus a generous sized garden and substantial driveway off street parking, on the outskirts of Lakenheath village. The property is nestled within the popular Woodlands Estate and has been thoughtfully updated by the current owners, to include the installation of UPVC windows and a back door, Solidor composite front door, in addition to a new (2025) Worcester Bosch unvented hot water cylinder.

Upon entering the property you will find a welcoming entrance lobby, providing ample space to remove coats and shoes before entering the lounge.

The lounge is a generous size and enjoys an impressive and large window to the front with the dual benefit of allowing natural light to flood inside the living space, whilst framing an attractive outlook to the front of the bungalow superbly.

There is a fully fitted kitchen offering a range of wall and base level units, sink unit and draining board, useful storage cupboard as well as ample space for an American style fridge freezer, washing machine, dishwasher and cooker, with an extractor hood fitted over the cooker space. There is also a door leading outside.

The property benefits from three well proportioned bedrooms, including a generous sized primary bedroom overlooking the rear garden, and offering the versatility to set up one bedroom as a dining room, or play room, if required.

The internal accommodation is concluded by a family bathroom which comprises a bath with shower over, wash hand basin with storage unit beneath, chrome towel radiator plus a useful storage cupboard. There is also a separate and stylishly presented W.C and wash hand basin.

Outside, the property provides ample driveway off street parking both in front of the bungalow and beside. Secure, iron

gates provide private vehicular access to the side of the property and pedestrian access to the rear garden which is predominantly laid to lawn and enjoys a patio area for seating and entertaining. There is a large Summerhouse in addition to a plastic, garden shed upon a concrete base.

The boiler, which serves an oil fired central heating system, is located outside and the sellers have advised us that the oil boiler and unvented hot water cylinder were both serviced September 2026.
