Two Bedroom Apartment | 4 Park Place, Worksop | £795 PCM

Bay windows, a character fireplace, your own patio and a freshly renovated interior. This one has quite a lot going for it. This spacious two-bedroom apartment on Park Place combines the character of an older property with the benefits of a modern renovation.

The living room is a real highlight, with beautiful bay windows bringing in natural light and a feature fireplace adding a little personality. There's also a large, modern kitchen and dining area, complete with a gas hob and oven, with plenty of room for a proper dining table.

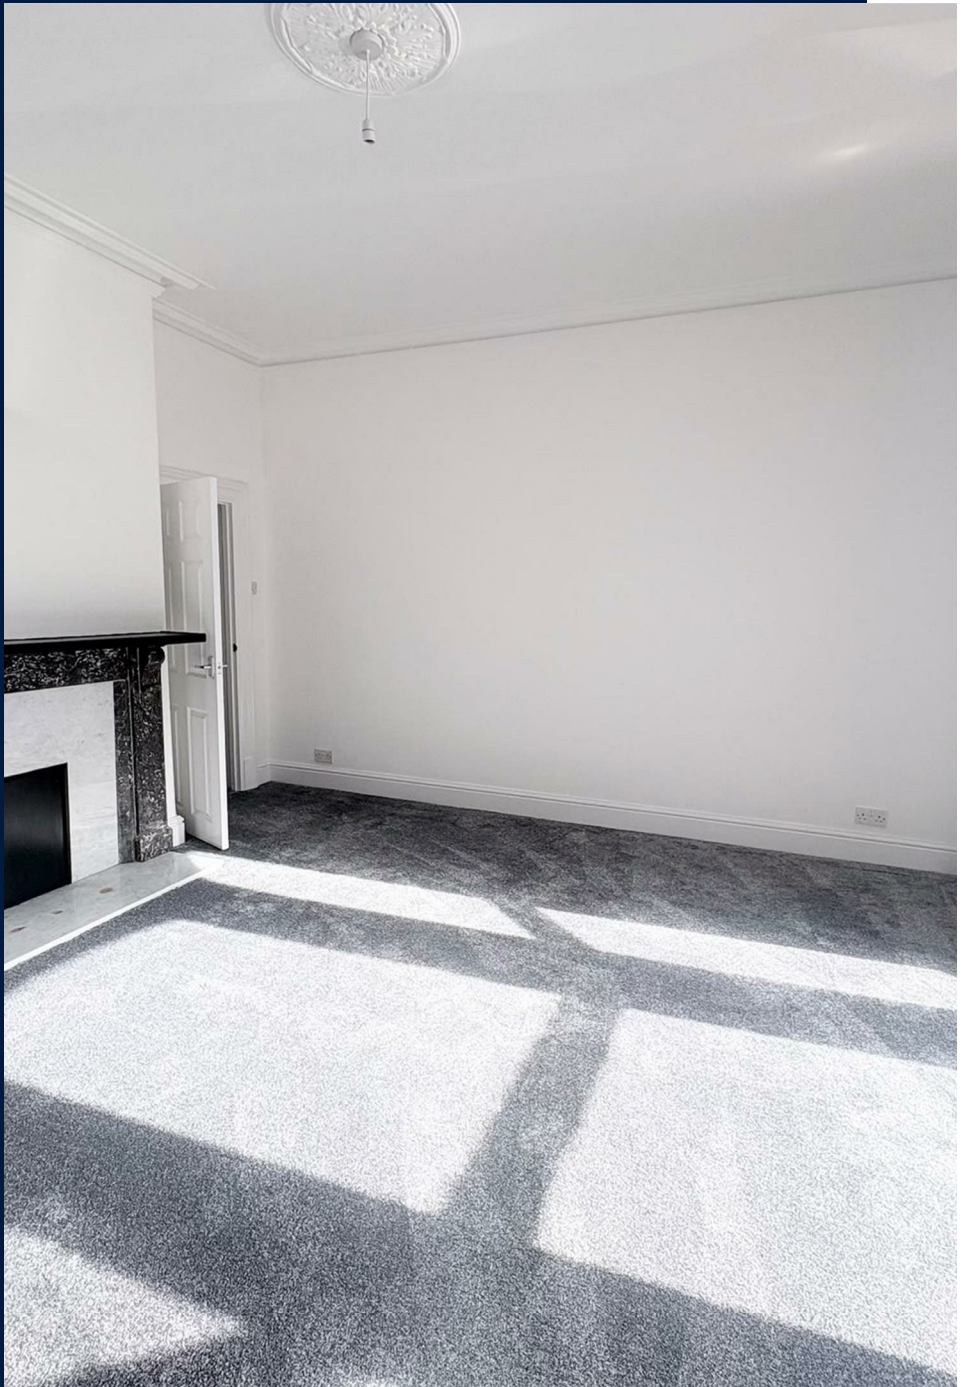

Both bedrooms are generously sized, with fitted wardrobes and en-suite facilities to the principal bedroom. There's a separate family bathroom with a bath and shower, plus an additional WC.

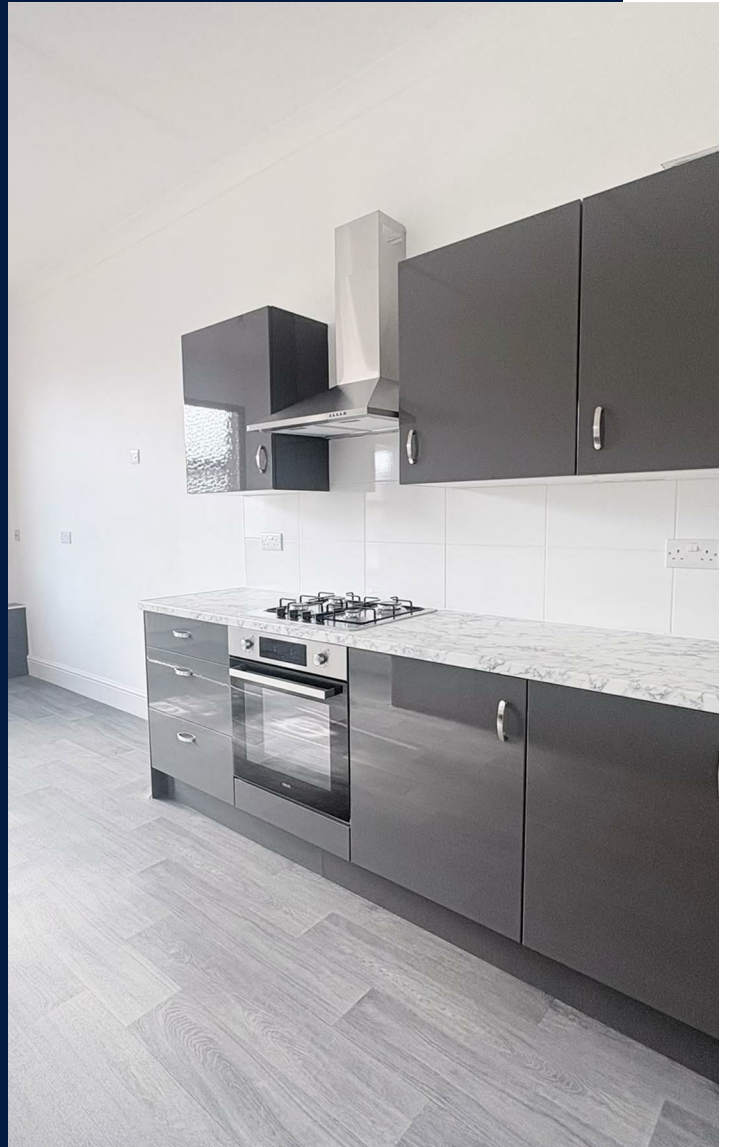

And outside? Your own patio area, leading onto a communal grassed area with seating. A lovely bonus for a property so close to town.

And the location? Worksop town centre is just a short walk away, with Priory Shopping Centre, independent cafés, restaurants and the Savoy Cinema nearby. Clumber Park is also a short drive away when you fancy swapping the shops for a woodland walk.
