Clayhall, Essex IG5 0NW
Price guide £675,000

27 Naseby Road, Clayhall, Essex IG5 0NW

Guide Price: £675,000 – £700,000. Situated on the ever-popular Naseby Road in the heart of Clayhall, this beautifully presented and substantially extended four-bedroom semi-detached family home offers well-appointed accommodation ideal for modern family living. Offering further development potential via the loft space (stpp), this already spacious home boasts an impressive 28'2 through lounge, providing a bright and versatile space perfect for both everyday living and entertaining. To the rear, a stunning 21'5 x 14'7 L-shaped kitchen/morning room extension forms the true heart of the home, offering generous dining and seating areas with views over the garden. A ground floor W/C adds further practicality. The first floor comprises four well-proportioned fitted bedrooms, with the fourth bedroom created via a double-storey rear extension, making this an ideal home for growing families. The accommodation is complemented by a large and stylish 8'3 feature family bathroom/WC, complete with a separate shower cubicle. Externally, the property enjoys a delightful, mature rear garden, providing a peaceful and private outdoor retreat. There is also a detached garage and off-street parking to the front. The home is well appointed throughout and retains attractive character features including double bay windows and a gable frontage, enhancing its kerb appeal. Perfectly positioned for families, the property is within walking distance of highly regarded local schools. Claybury Park is close by, offering expansive green spaces, woodland walks, a children's play area, outdoor gym and scenic lake. Local shops are easily accessible, while the 169 bus route provides convenient links to Barking High Street. Barking Underground Station (Central Line) is approximately 1.2 miles away, offering direct access into Stratford and Central London. A fantastic opportunity to acquire a spacious and extended family home in a prime Clayhall location. Early viewing is highly recommended
