Outside
Approached via double wooden entrance gates, the property benefits from a generous frontage offering excellent privacy, attractive landscaping and ample off-road parking. The front garden has been predominantly laid to artificial lawn, providing a low-maintenance outdoor space, and is complemented by raised planters containing mature and established flower beds.

A particular feature of the frontage is the fully stocked feature pond, creating an attractive focal point within the garden, together with external lighting and a convenient external water point. To the immediate front of the property is a concrete foundation, offering potential for extending the existing accommodation outwards, subject to the necessary planning permissions and building regulations.

To the rear of the property is a large, sheltered veranda, providing an excellent covered outdoor entertaining and seating area with ample space for garden furniture. The veranda benefits from both power and lighting, making it a versatile space that can be enjoyed throughout the year. A concrete ramp leads from the veranda down to the extensive tarmacked rear yard.

The rear garden and yard provide a range of useful external facilities and outbuildings, including a dedicated outdoor office and two bedroom static caravan (which can be removed if required), offering excellent potential for home working, hobbies, additional storage or flexible accommodation. There are multiple external power points, an external water point and raised planters containing mature flower beds, adding further colour and greenery to the space.

The garden is further enhanced by a greenhouse, ideal for those with an interest in gardening and growing their own plants and produce, together with an electric vehicle charging point.

Outdoor Office/Gym
19'2 x 8'7
UPVC double glazed windows to the front and sides, set of UPVC doors and has power, lighting and double telephone point.

Double Garage
22' x 16'10
Electric roller door, fuse box, power, light, UPVC door to the side, car port to the front providing further sheltered parking.
