The Old Stables Church Lane, Brent Knoll, TA9 4DG

Enjoying an enviable position on Church Lane, in the heart of the village and just a stone's throw from the 11th-century Church of St Michael, this individual five bedroom detached home dates from the late 1990s. Designed in the traditional style of a Somerset Longhouse, the property is arranged over three storeys and takes full advantage of far-reaching views across the village towards the Quantock Hills.

The beautifully presented accommodation has been extensively renovated and offers exceptional versatility throughout. The ground floor comprises a welcoming entrance hall leading to the principal bedroom, which benefits from a walk-in dressing room and en-suite access to a contemporary Jack and Jill shower room. Two further bedrooms complete this level. The first floor is centred around an impressive kitchen and dining room measuring 7.2m (23'7") in length. Dual windows frame delightful views, while the bespoke, high-quality kitchen features soft-close wall and base units, Corinium work surfaces and a statement double Falcon oven with a five-ring induction hob. The dining area provides ample space for a family-sized table together with space for a separate seating or snug area. From here, a useful utility room offers space and plumbing for a washing machine and tumble dryer and leads to a convenient WC. Also located on this floor is a full-depth, dual-aspect lounge, flooded with natural light and providing staircase access to the upper level. The accommodation is completed by a delightful conservatory overlooking the garden and offering direct access outside. The second floor provides two further highly versatile bedrooms, both enjoying attractive views through dormer windows. One of the bedrooms benefits from direct access to a luxurious three-piece bathroom, complete with a centrepiece freestanding bath.

Externally, the grounds have been thoughtfully landscaped with ease of maintenance in mind. The front is laid to hardstanding and provides ample off-street parking, together with an undercroft storage area, two separate garages (both with power and lighting), a useful bin store and gated steps leading to the rear garden. The secluded garden is arranged across two tiers and predominantly laid to decking, creating an ideal setting for entertaining and al fresco dining. Walled and fenced boundaries, bark-chipped flower beds and wonderful views across the village towards the Quantock Hills complete this impressive outside space.

Brent Knoll is a highly sought-after village lying close to the landmark hill from which it takes its name. Surrounded by open countryside, the village offers a range of amenities including The Red Cow public house, a village green, tennis courts, village hall, primary school, Methodist church and the Grade I listed Church of St Michael. The village is also well placed for access to Burnham-on-Sea, Cheddar and the M5 motorway.
