The Plot

Planning permission was granted on 20th January 2020 (PA19/09988) for the erection of two detached houses, and this building plot is the larger of the two, extending to 0.27 acres or thereabouts. A Certificate of Lawfulness (PA15/00535) deems the planning materialistically started and therefore extant, and some services have been connected already.

The proposed accommodation is to comprise; entrance hall, w.c., kitchen and sitting/dining room on the ground floor with three bedrooms (master en-suite) and a family bathroom to the first floor. Gardens will sit to the front and side whilst there will be parking and turning space for two/three vehicles at the rear.

CIL

The development of this site will be liable for a CIL charge, unless an exemption applies.

Services

Mains water and electricity to site, mains gas duct laid but not connected. British Telecommunications to site. Permission for the installation of a private drainage system. None of these services have been tested and therefore no guarantees can be given. Interested parties are advised to make their own enquiries to the relevant service providers.

Wayleaves, Easements & Rights of Way

The sale will be subject to and with the benefit of all wayleaves, easements and rights of way as may exist. The adjacent building plot will benefit from a vehicular right of way over the driveway belonging to this plot.
