The apartment opens into a spacious entrance hall with a useful storage cupboard. A particular feature is the impressive open-plan living, dining and kitchen space, which is notably generous for a one-bedroom property and provides clearly defined areas for relaxing and dining. Two windows and French doors opening onto a Juliet balcony allow plenty of natural light into the room while enjoying elevated views across the landscaped communal gardens. The fitted kitchen includes an excellent range of units and integrated appliances, with wood-effect flooring creating a practical distinction from the carpeted living area.

There is a generous double bedroom with a walk-in wardrobe, together with a modern, fully tiled wet room featuring an accessible walk-in shower, fitted grab rails, WC and washbasin with storage beneath. Outside, the development is surrounded by beautifully landscaped communal gardens with level pathways, established planting, lawned areas, paved seating terraces and a covered gazebo. The apartment also benefits from its own allocated parking space.

The annual service charge is £11,739.10 for the financial year ending 28 February 2027. This includes the Estate Manager, 24-hour on-site care staff, one hour of weekly domestic support, buildings insurance, water rates, external window cleaning, upkeep of the communal areas and gardens, operation of the bistro, the emergency call system and contributions towards future maintenance and redecoration. Council Tax, electricity used within the apartment and a television licence are not included.

The property is leasehold with a 999-year lease from 1 January 2022. Ground rent is £435 per annum, with the next review due on 1 January 2037. The development is managed by Your Life Management Services and is pet-friendly, subject to the terms of the lease.
