88 Palmerston Road Buckhurst Hill, IG9 5LG

Set across three spacious floors, this beautifully presented four-bedroom end-of-terrace townhouse offers versatile accommodation, contemporary interiors and a highly convenient location, just 0.5 miles from Buckhurst Hill Central Line Station and within easy walking distance of Queens Road's boutique shops, cafés, restaurants and Waitrose.

The ground floor is centred around an open-plan kitchen and dining area, creating an ideal space for both family living and entertaining. The modern kitchen is fitted with a comprehensive range of units, a central island with breakfast bar, integrated wine cooler and direct access to the rear garden. To the front of the property is a highly versatile room, currently used as a utility and storage space, which offers excellent potential to be converted into a home office, gym, dining room or additional reception room, subject to the usual consents. A convenient ground floor WC completes this level.

Throughout the home, high ceilings and generously proportioned landings create a wonderful sense of space, enhanced by an abundance of natural light. The first floor offers two double bedrooms, both served by a contemporary family bathroom. The rear bedroom enjoys double doors opening onto a private roof terrace, while the front room benefits from two Juliette balconies, making it equally suited as a principal reception room if desired.

The second floor provides two further spacious double bedrooms, both featuring fitted wardrobes, alongside a modern shower room.

The property has been thoughtfully improved with a recently installed A-rated Worcester Greenstar 36CDi Compact boiler, fitted just two years ago and benefiting from the remainder of its 10-year guarantee. Energy-efficient LED lighting has also been installed throughout the majority of the home, while plantation shutters have been fitted to every room.
