3 Summerhill Place presents a unique opportunity to acquire an end-terrace two-bedroom property with an exceptional additional feature rarely found with a home of this type. Subject to the necessary planning permissions, this could offer exciting potential for use as a holiday let or additional accommodation.

The main accommodation begins with an entrance hallway providing access to the first floor and the living room. The living room is bright and welcoming, with a large window allowing plenty of natural light to fill the space, useful storage beneath the stairs and double doors leading through to the kitchen.

The kitchen is fitted with a good range of wall and base units, together with a selection of appliances. There is also a useful storage cupboard and a door leading out to the rear yard. The enclosed rear yard provides a private outdoor space and also gives direct access into the workshop, making it particularly practical for those requiring additional storage, workspace or hobby areas.

To the first floor are two good-sized double bedrooms, both of which are bright and airy, along with a family bathroom and access to the loft.

The combination of comfortable living accommodation and the substantial garage, workshop and hobbies room makes this a particularly versatile property with considerable potential for a variety of uses, subject to any required permissions.
