You may be aware that I have recently agreed a sale on a property in your neighbourhood.

In many cases, once a property has been sold, I find that I am left with a surplus of disappointed buyers looking for similar homes.

If you are thinking of moving at the moment, you may find that now is the ideal time to take advantage of this activity.

As your local property consultant I offer a free, no obligation market appraisal and would be delighted to advise you further on all your moving needs.
