Description

A beautifully maintained four double bedroom family home in the sought-after South Farnham area, offering generous and flexible accommodation with excellent potential to make the space your own. The property features three reception rooms, a conservatory overlooking the mature southerly garden, a spacious kitchen and useful utility room, together with a principal bedroom with en suite.

Outside, the established garden provides a peaceful and private setting, while the in-and-out driveway offers ample parking and access to the attached garage. Ideally positioned for highly regarded schools, Farnham's Georgian town centre, mainline station and the open countryside of Farnham Park, this is a wonderful opportunity to secure a well cared for family home in a highly desirable location.
