IH INGLEBY HOMES

This very attractive, and spacious four bedroom semi-detached property is situated on the very popular 'Queensgate' development of Stockton.

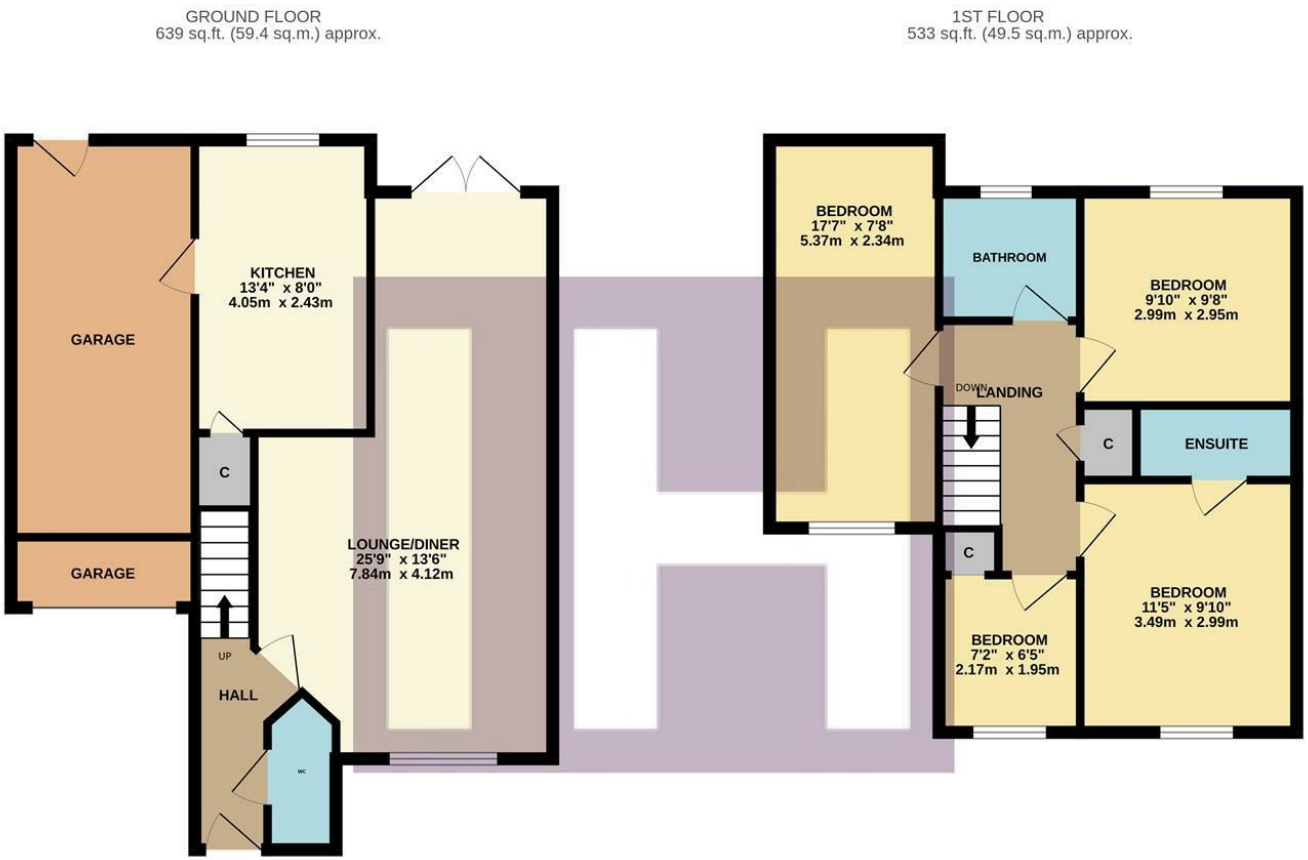

Constructed in 2017, and delivering well-planned accommodation that briefly comprises a welcoming entrance hall, cloakroom/WC, large 25ft plus open-plan lounge/diner and separate modern kitchen/breakfast room to the ground floor. The kitchen offers an internal access door to the garage, which has been separate internally to create more versatile space, but can be easily retuned to a garage should a new owner wish to do so.

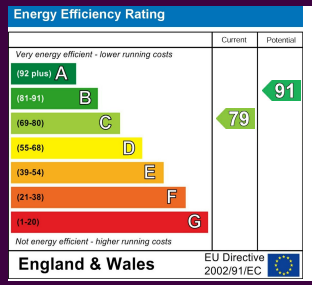

The first floor brings four bedrooms, three of which are comfortably doubles, and 'Master' with ensuite, separate family bathroom.

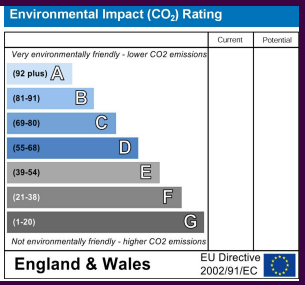

The front garden is laid to well-tended lawn, enclosed to the front in attractive rail, with path to entrance and a lengthy drive alongside, approaching the garage.
The fence enclosed rear garden brings a near-end patio, lawn and timber shed. Viewing advised.
