INTRODUCTION

An exceptional opportunity to acquire a unique and versatile family home situated in the heart of Wyke Village. The property offers flexible accommodation that can be easily adapted for various uses. Currently, the space offers a spacious family home arranged over two storeys, with the added benefit of an attached two storey annexe which can be seamlessly integrated into the main house if desired.

PROPERTY

The main residence is accessed via a private side entrance leading into a welcoming porch and entrance hall. From here, doors open to a cloakroom, a charming sitting room with a feature open fireplace and French doors opening onto the rear garden, and a separate study/dining room. The study/dining area flows into a spectacular open-plan kitchen/breakfast room and conservatory, which benefits from under-floor heating and also opens onto the rear garden.

The well-appointed kitchen features a breakfast bar, a range of wall and base units with work surfaces and integrated dishwasher. There is a feature brick fireplace with recess. From the kitchen, a door leads to a practical utility room with an internal door giving access to the adjoining two-storey accommodation.

Upstairs, the principal bedroom benefits from an en-suite shower room and walk in wardrobe, while two further bedrooms, a family bathroom, and a smaller bedroom (which provides access to the attached accommodation) complete the first floor.

The attached two-storey annexe is currently set-out into two self-contained areas. The ground floor is utilised as office space with the first floor providing living accommodation.

OUTSIDE

Externally, the property features an enclosed, landscaped garden with an extensive sun terrace, raised shrub beds, and ornamental trees perfect for outdoor entertaining. A private driveway provides off-road parking and access to a large garage with electric roller door. In addition, there is a workshop and store, offering further useful space.
