About the Property

Built as part of the sought after Strawberry Hill Gardens development, an exclusive community designed for the over 55s, this brand new three bedroom semi detached home offers almost 1,400 sq. ft. of well designed accommodation in the heart of Eaton.

The property has been thoughtfully designed with both comfort and practicality in mind. A spacious entrance hall provides access to a ground floor WC. The main living space is arranged in an L-shape, creating distinct areas for cooking, dining and relaxing whilst maintaining an open-plan feel. The contemporary kitchen is fitted with a range of integrated appliances including an eye-level oven, hob & extractor hood, fridge freezer and washer/dryer, together with space for a dishwasher. The dining area benefits from patio doors opening onto the enclosed private rear garden. The staircase has been designed with future convenience in mind and can accommodate a stairlift if required. Upstairs are three double bedrooms and a shower room off the landing. Both the main bedroom and bedroom two benefit from built-in wardrobes and ensuite shower rooms, whilst bedroom three would make an ideal guest bedroom, study or hobby room. The property also benefits from a good amount of built-in storage throughout.

Further features include an NHBC warranty, electric heating, solar panels and an EV charging point. The property is currently presented as the development's show home and can be purchased with or without the furniture, subject to agreement. McCarthy Stone also offer Assisted Move and Part Exchange schemes to help simplify the buying process.

The Outside

Outside, the property enjoys an enclosed rear garden with a paved seating area, lawn and raised brick wall to the rear boundary. The garden also benefits from a storage shed, outside tap and side gate providing convenient access.

To the front of the property are two allocated parking spaces positioned side by side, together with an EV charging point.

Residents also benefit from access to The Pavilion, a communal hub at the heart of the development. Set within beautifully landscaped grounds, it offers a range of social activities and events, providing the opportunity to meet neighbours and become part of a welcoming community.
