# SHARED OWNERSHIP

Shared Ownership\* enables you to buy an initial share of a property and pay a subsidised rent on the rest, meaning you can get into home ownership in manageable stages and don't take on more of a financial commitment than you can afford.

Initial shares of between 25% and 75%\*\* of our properties are available, you will pay a subsidised rent on the remaining share. In the future you can purchase further shares in your home\*\*\*, or sell your share and move on.

## WONDERING IF SHARED OWNERSHIP IS RIGHT FOR YOU?

- Make mortgage payments on the share you own
- Pay rent on the remaining share
- You can buy more shares in your property from 1% increments (staircasing)

\*Properties are offered as leasehold, with a lease term of 999 years.  
\*\*Shares offered are based on the affordability determined by an Independent Mortgage Advisor.  
\*\*\*Some properties are restricted to the level of share you can purchase.

# MY SHARED OWNERSHIP JOURNEY

Rajpreet, 32, was renting in Milton Keynes when a divorce prompted her to rethink the next chapter of life. At this time, she was unsure which path to take “I wasn’t sure whether I could afford to buy, and I didn’t have much in savings. Renting again felt like starting over,” she said.

Facing uncertainty and what seemed like limited options, Rajpreet began to explore alternatives. That’s when a recommendation from a colleague introduced her to Domovo and the idea of shared ownership. “My friend bought through Domovo a few years ago and had a great experience. I trusted her opinion, so I focused my search onto Domovo,” Rajpreet explained.

Fast forward a few months, she now owns a 40% share in a two-bedroom semi-detached home in a peaceful neighbourhood outside Dunstable. With a £5,300 deposit, shared ownership made stepping onto the property ladder feel truly achievable.

**“I DIDN’T THINK I COULD AFFORD TO BUY AFTER THE SEPARATION. BUT ONCE I LOOKED INTO SHARED OWNERSHIP, IT MADE SO MUCH SENSE. IT’S AFFORDABLE AND GIVES ME THE OPTION TO BUY MORE OF THE HOME IN FUTURE.”**

But it wasn’t just the house that won her over - it was the location too. The local area quickly became one of her favourite aspects of the move. Moving from a busy town to a quieter, greener area has been a breath of fresh air.

**“THERE ARE LOVELY WALKS NEARBY, AND I OFTEN GO TO HOUGHTON HALL PARK. IT’S BEAUTIFUL IN THE SUMMER. I EVEN GET FRESH FARM MILK AND PRODUCE DELIVERED TO MY DOOR. THAT KIND OF THING JUST WASN’T PART OF LIFE BEFORE.”**

**“IT’S AFFORDABLE AND GIVES ME THE OPTION TO BUY MORE OF MY HOME IN THE FUTURE**

**Rajpreet, Shared Owner**

\*Testimonial was incentivised

The move has had a noticeable impact, not just because the area is calmer, but also because it’s far more convenient for her day-to-day needs. She said:

**“THE ACCESS TO MAJOR ROADS IS GREAT. IT TAKES THE SAME AMOUNT OF TIME TO GET TO WORK, BUT THE DRIVE IS SMOOTHER AND MORE ENJOYABLE.”**

Shared ownership with Domovo proved to be the right choice. Rajpreet had been unsure about the concept at first as it was unfamiliar territory, but she came to appreciate how it allowed her to invest in a home at an affordable level, with the flexibility to increase her shares over time. Her monthly costs now sit below her previous rent payments, providing Rajpreet with both financial stability and long-term security.

With the support of Domovo’s sales team, the whole process was smoother than she expected. They stayed in regular contact, even after she was initially unsuccessful in securing a home, and reached out when another property became available, a gesture she truly appreciated.

Since moving in, Rajpreet has embraced the independence of home ownership. Her favourite part of the house is the open-plan kitchen:

**“I LOVE COOKING WHILE WATCHING TV, IT’S WHERE I SPEND MOST OF MY TIME AFTER WORK. IT’S THE HEART OF MY HOME.”**

Now happily settled, Rajpreet is enjoying every aspect of her new home and the local area, embracing her new life filled with both peace and convenience. With Domovo’s support and the flexibility of shared ownership, she has found a realistic way onto the property ladder. Rajpreet is proud to call her new home her own and would encourage others in a similar position to explore shared ownership.
