Description

A striking brand new six-bedroom, six-bathroom family home, beautifully designed and finished to an exceptional standard throughout, occupying an impressive and generous plot, situated on the gated and private Kewferry Drive. The ground floor is particularly impressive, centred around a stunning contemporary kitchen with a substantial central island, extensive fitted cabinetry and generous work surfaces. The kitchen flows naturally into the dining area, creating a fantastic space for both everyday family life and entertaining. Sliding doors open directly onto the rear garden, bringing the outside in and providing a wonderful connection to the extensive grounds. A spacious separate reception room provides a more formal living space, while the ground floor also includes a dedicated home office, useful utility room, guest bathroom and a generous entrance hall, creating a practical and well-planned layout.

The first floor provides four spacious bedrooms all with ensuite bathrooms and air-conditioning. The main bedroom is a standout feature, complete with a dressing room, luxurious en-suite bathroom and access to a private roof terrace, creating a wonderful secluded space to relax and enjoy the surroundings.

The second floor provides two further generous air-conditioned bedrooms and a well-appointed family bathroom.

To the rear is a thoughtfully landscaped garden with full computerised irrigation and lighting which is arranged over two tiers, including a bespoke putting green. The large paved terraces, manicured lawns and raised planting beds create a beautifully designed outdoor space. A striking central staircase connects the different areas, with mature planting, palms and established hedging providing privacy and greenery. There is also an outdoor kitchen and BBQ area, making the garden ideal for entertaining and dining. To the front a double garage and driveway provide plenty of off-street parking.
