'Sunset', Ovingdean Road Ovingdean, BN2 7BB

A beautiful four-bedroom detached house occupying a raised position on Ovingdean Road that takes full advantage of stunning South Downs views, captured by floor-to-ceiling windows to the front.

At the heart of the home is a generous open-plan living space with a triple aspect, having a vaulted ceiling to the dining area with roof lights which fill the space with natural light and patio doors that lead out to the rear garden. Modern shaker-style cabinetry in the kitchen area enhances this space along with Quartz work surfaces, a central island with breakfast bar overhang, integrated appliances, a Range-style stove and windows overlooking the rear garden.

A separate utility room, home office and shower room complete the ground floor accommodation.

The four bedrooms are located on the first floor, two of which have a dual aspect, and the principal bedroom having French doors and a Juliet balcony, again taking full advantage of the spectacular views to the front, alongside the family bathroom which has a freestanding roll-top bath and claw foot bath and a separate shower enclosure.

Externally to the rear, the private lawned garden is arranged over two tiers with mature flower beds, sleeper retainers and hedged and fenced boundaries.

The property further benefits from off-road parking for multiple cars and is within a few minutes' walk of the local shop and within sight of the local bus stop that takes you into the city centre. A 10-minute drive will take you to Brighton's city centre, and it is also in proximity to excellent local schools including Brighton College, Roedean School, and the Oxford International College Brighton.
