Property Description

Tucked away in one of BS3's most desirable pockets, this beautifully presented three-storey home blends period charm with thoughtful upgrades, offering a warm, stylish and highly functional living environment. Set within a colourful row of terraced houses, the property opens into a welcoming hallway that sets the tone for the rest of the home — calm, characterful and cleverly designed to maximise space.

The ground floor flows naturally from a cosy living room with a feature fireplace and bay window, through to a striking open-plan kitchen/dining space that forms the social heart of the home. Rich tones, warm timber flooring and considered storage create a space that feels both homely and refined, with direct access out to a landscaped rear garden arranged over two levels. With a decked terrace, raised lawn and leafy backdrop, it's an inviting spot for morning coffee, summer evenings or family downtime.

Upstairs, the first floor offers two generous double bedrooms, a well-appointed bathroom and a dedicated study area, ideal for home working. The top floor is home to a bright and spacious third bedroom with skylight windows and its own contemporary shower room, creating a private suite feel perfect for guests, older children or anyone wanting a little extra privacy.

With Bedminster's lively mix of independent cafés, parks, pubs and local shops just a short stroll away, the home sits in a vibrant and well-connected part of BS3 that's loved for its community.
