Positioned with a west-facing garden, this wonderful family home and has been extensively extended and remodelled by its current owner and offers super versatility for growing families to adapt and use each room with their ever-changing needs.

Set back from the road behind a large driveway, there is plenty of space for off-road parking for a number of cars. A charming lawn sits alongside the driveway and provides a lovely kerb-appeal. A generous porch welcomes you in and allows access into the entrance hall. From the entrance hall is the sitting room which sits centrally within the house and provides a super space accessing the kitchen, the living room and the conservatory. Each room is beautifully presented and offers views of the garden, making the most of the west-facing aspect. Off the kitchen sits a utility room with a side door providing external access. The utility room leads to a large boot room that is currently utilised as a storage room. The final room on the ground floor is currently set-up as a bedroom and would equally make a good home office or play room. It sits with access to a shower room, and boasts skylights making it a lovely and bright space.

A turning staircase from the sitting room allows access up to a galleried landing. The landing leads to four double bedrooms and the family bathroom. The master bedroom is a large double with a generous en-suite shower room with black 'crittall-style' finishing's. The family bathroom is another modern suite comprising shower, bath, WC and wash hand basin. This property has been thoroughly renovated over the last few years and everything from flooring to lighting to bathroom and kitchens have been replaced. Colour schemes have been kept neutral providing a turn-key home to suit every taste.

Externally the rear garden boasts a wonderful raised composite deck that offers wonderful views over the garden. Steps down lead to a lawn fully enclosed surrounded by wooden fencing. This is ideal for those with young families, who need good outside space that is secure and easy to maintain.
