DESCRIPTION

Fine Oak Cottage is a charming Grade II Listed detached family home, rich in character and period appeal, offering flexible and well-proportioned accommodation with further potential, subject to the necessary consents. Set within approximately 0.8 acres of mature and beautifully established gardens, the property also benefits from extensive off-road parking and garaging, all enjoying a peaceful and highly attractive setting.

ACCOMMODATION

The accommodation is both versatile and full of character, with a wealth of period features throughout. The spacious sitting room enjoys a former fireplace with bread oven, which continues through to the adjoining drawing room, with both rooms benefitting from separate staircases rising to the first floor.

Leading from both the drawing room and sitting room is the kitchen, fitted with a range of units, integrated appliances and a breakfast bar, whilst the dining room lies to the side and enjoys double doors opening directly onto the gardens, providing an excellent space for entertaining and family living. On the other side of the kitchen is a rear hallway off which is a useful storage cupboard, a utility room with WC and a rear porch giving access to the gardens.

On the first floor there are four bedrooms arranged over two staircases, adding to the cottage's individual charm and flexibility. As shown on the floorplan, bedroom four is accessed via bedrooms two and three, with bedroom two being open to one of the staircases. The principal bedroom enjoys a delightful dual aspect with views across the gardens. Completing the accommodation is the family bathroom, fitted with a white suite comprising a bath with shower over, wash hand basin and WC.

OUTSIDE

There is an attractive front garden, predominantly laid to lawn with planted borders and well. The main garden is to the rear and is again, laid to lawn with sloping lawns, three apple trees, a fishpond and a handsome thatched open-sided summerhouse (with light and power). Across the access lane is further area of garden with an orchard area, vegetable beds and two greenhouses.

There is ample garaging and storage, including a double garage with electric roller door, storage over and garden store to the rear, an additional garage at the back of the parking area and further sheds.
