## DESCRIPTION

Arranged over three well-planned levels and extending to approximately 1,191 sq ft, this spacious four-bedroom house offers generous proportions, excellent storage and an unbeatable E2 location.

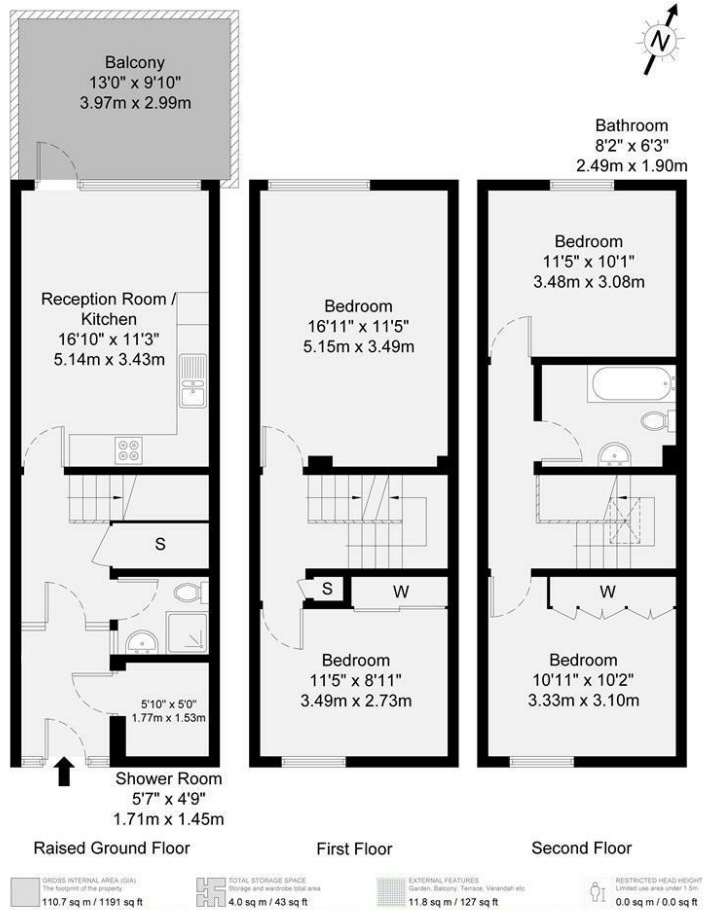

The ground floor features a bright and airy open-plan kitchen and reception space, creating a sociable and versatile living area ideal for both everyday family life and entertaining. The room flows naturally out to a private rear patio garden — a rare and valuable outdoor retreat in this central East London setting. A shower room is also conveniently located on the ground floor.

The upper floors comprise four well-sized bedrooms arranged across the first and second levels, offering flexibility for families, sharers or home working. A second bathroom is positioned on the second floor, comfortably serving the upper accommodation. Throughout the house, rooms are well-proportioned and complemented by excellent internal storage — always a welcome bonus.

Positioned on Kingsland Road, the location is exceptional. Shoreditch, Haggerston and Dalston are all within easy reach, offering a vibrant mix of cafés, restaurants, bars and independent boutiques, along with excellent transport links into the City and beyond.
