"I really enjoyed the fact that the flat was located so centrally within Bristol with access to many local amenities as well as being within walking distance to work. The flat is extremely quiet despite being in a bustling area of town and is very cool even on a hot summer's day. It is a definite advantage having Brunswick Square right outside as well as having Portland Square round the corner for some greenery. A great place for a young professional to enjoy a great work/life balance"
