- Single Integral Garage and Driveway
- Cul De Sac Position
- Sought After Location To The South Of Taunton

Constructed circa 2005 by the highly regarded local developers C.S. Williams, this beautifully presented and thoughtfully upgraded four-bedroom detached family home occupies an attractive cul-de-sac position within a sought-after residential development of Killams.

The property benefits from uPVC double glazing and mains gas-fired central heating, while recent improvements include the refurbishment of both the family bathroom and en-suite shower room, together with the installation of solar panels.

A front door opens into a spacious entrance hall with staircase rising to the first floor. Doors lead through to the principal reception rooms and kitchen. Positioned at the front of the property, the living room is a bright and welcoming space featuring an attractive fireplace with inset fire. Double doors lead through to a separate dining room, which enjoys patio doors opening onto the rear garden and direct access to the kitchen.

The contemporary kitchen is fitted with a comprehensive range of matching wall and base units complemented by granite work surfaces and upstands. Features include an inset Belfast sink, double oven, gas hob with extractor hood over, under-cabinet lighting, and space for a tall fridge/freezer. A separate utility room provides additional storage and appliance space for a washing machine and tumble dryer, together with access to the rear garden and a convenient ground-floor cloakroom.

On the first floor, there are four well-proportioned bedrooms. The principal bedroom benefits from built-in wardrobes and a stylish re-fitted en-suite shower room. The remaining bedrooms are served by an impressive re-fitted family bathroom featuring underfloor heating, a vanity unit with wash hand basin, WC, bath with drencher shower over, and a chrome heated towel rail.

Externally, the fully enclosed rear garden has been attractively landscaped and offers a shaped lawn, patio seating areas, well-stocked borders, a pond, and a covered corner seating area, creating an ideal space for outdoor entertaining and relaxation. Gated side access leads to the front of the property and to the integral garage, which benefits from power and lighting and houses the gas-fired boiler.

To the front of the property, a driveway provides off-road parking for two vehicles.
