Proffitt and Holt are delighted to bring to the market this contemporary detached home in a private location in the heart of Abbots Langley. Offering circa 3500sq/ft of accommodation, arranged over 4 levels, this special home has been built to a particularly high specification throughout, with eco-friendly features ever present, making this a very energy efficient home.

Entering on the ground floor to a welcoming entrance hall, there is plenty of space for coats and shoes, as well as a guest WC. Doors lead to a formal and cosy sitting room overlooking the front and at the rear, a wonderful open plan kitchen/dining room with bi-folds that open out to the rear garden. The kitchen itself is fitted to a high specification, with a range of integrated Miele appliances and large peninsula with quartz worktops and additional seating. Separately, there is a functional utility room. Stairs lead down to a breathtaking basement level, which houses a fantastic cinema room with ambient lighting, a home gym and a particularly large reception space, which is a wonderful area to entertain, especially given that doors lead out to the sunken courtyard garden, which ingeniously floods the space with light. Additionally, there is a home office space.

To the first floor, there are three bedrooms with air conditioning and a family bathroom. The largest of these rooms offers a range of fitted wardrobes, contemporary en-suite and large floor to ceiling window. Stairs rise again to the second floor, the entirety of which is taken up by the impressive Master suite. Consisting of a super king sized bedroom, dressing area and stylish en-suite with oversized walk-in shower and separate bath. All bedrooms are equipped with fitted wardrobes and the property also benefits from an air filtration system throughout the house.

Externally, the rear garden is easy to maintain, but a great space to entertain in, with a recently added bar area boasting power and TV. Side access leads you to the front of the house, where there is parking for 3 cars.

Viewing is highly advised to appreciate the amount of space and high specification that this one-off house has to offer.
