The spacious sitting room features an open fire with a hearth and ornate surround, fitted bookshelves and sliding doors to the garden. A door from the hall opens to the dining room, with a window overlooking the front garden and driveway. The kitchen features a wall mounted gas boiler and a range of fitted units and drawers, with worktops and tiling above, and opens to an adjoining utility area, which has space for appliances and a door to the garden.

Upstairs there are 4 bedrooms and 2 bath/shower rooms. On the landing, an airing cupboard houses the hot water cylinder, and a loft access hatch allows access to the insulated loft. Bedroom 4 is currently used as a study and includes a built-in wardrobe and views of the garden.

To the front of the house is a low-maintenance garden, with driveway parking and a path to the front door. The detached double garage features twin up-and-over doors and a personal door to the garden, and a gate between the garage and house opens to a path and on the garden. The attractive garden faces south and features a wide seating terrace spanning the rear of the house, and mature flower/shrub borders surrounding a lawn. The garden is surrounded by timber fencing.
