Take a look at this two double bedroom end of terrace home ideally located in Northfleet.

There is plenty of on street parking to the front and there is a garage and parking to the rear.

The front garden has the potential to create a driveway like many others in the street, so there is no concerns of parkin options.

On the ground floor you enter the home to the side, you walk into the Kitchen, that feeds into the lounge dining room. With some thought and the necessary permission there is scope to open this up to create an open plan kitchen diner. There is a conservatory off of the dining room for more space.

Upstairs there are two double bedrooms, both with built in storage, and there is modern shower room.

There is a parade of shops close by with a COOP and Morrisons daily for all of your essentials. There are major supermarkets close by including Morrisons, Sainsburys and Lidl.

The are several schools within easy reach including primary schools, secondary schools and Grammar School options.

Gravesend town is nearby where you can use the High speed train station servicing London in under 30 minutes.

The A2 and M25 motorways are close by making both the coast and London easily accessible.
