Stylish, spacious and move-in ready, this two-bedroom ground floor flat offers open-plan living, allocated parking, gas central heating, 101-year lease. No onward chain convenience.

This spacious and beautifully presented two-bedroom ground floor flat delivers stylish, easy living with the perfect blend of comfort, convenience and “wait... this is actually affordable?”

At the heart of the home is the standout open-plan lounge/diner/kitchen — a sociable, spacious hub designed for modern life. Whether you’re hosting bottomless brunches, pretending to work from home while watching daytime TV, or showing off your air fryer skills to impressed friends, this space absolutely delivers. Light-filled, welcoming and effortlessly practical, it’s the type of room where everyone naturally gathers.

Both bedrooms offer generous proportions, making them ideal for peaceful retreats, guest space, home offices or even that “walk-in wardrobe” dream you keep talking about on TikTok. The property is well presented throughout, meaning you can move straight in without needing to survive six months of DIY chaos and takeaway dust.

Outside, you’ll enjoy the luxury of allocated parking — because circling the block 17 times after work is not the vibe. Add to that gas central heating, a healthy 101-year lease, the enticing “no onward chain”, and suddenly your property wish list starts looking suspiciously complete.

Perfect for first-time buyers, downsizers, savvy investors or anyone upgrading from “tiny flat with questionable neighbours,” Smollett Place offers a lifestyle that feels relaxed, connected and refreshingly low-maintenance.
