Mapps Estates are delighted to bring to the market this deceptively spacious, well presented five bedroom detached chalet residence located in the semi-rural village of Lymgne. The well-proportioned ground floor accommodation comprises a reception hall opening through to an impressive open plan kitchen/diner with bi-fold doors opening onto the rear patio and garden, a separate living room, two double bedrooms and a luxury family bathroom with underfloor heating. Upstairs you will find the master bedroom with a walk-in wardrobe area and an en suite shower room, and two further bedrooms. The low-maintenance rear garden boasts a useful large outbuilding, while to the front is a paved terrace, a driveway for three cars with an EV charging point, and a garage with a remote-controlled roller door. In addition, the sellers are buying a new build property so there is only a short onward chain. An early viewing of this desirable family home comes highly recommended.

Located in the popular village of Lymgne with its ever-popular primary school, and within easy walking distance to Lymgne Castle, together with a bistro restaurant/café and The County Members public house. A short drop down Stone Street, you will find hairdressers and a general store. There is also an active village hall and playing fields. Westenhanger mainline railway station is within easy reach and gives access to high-speed rail services from Ashford International taking just over 30 minutes to St Pancras, London. The pretty Cinque Port Town of Hythe is only a short car ride away and offers a good selection of independent shops together with Waitrose, Sainsbury's and Aldi. The historic Royal Military Canal runs through the centre of the town offering many walking and recreational facilities, as does Hythe's unspoilt seafront promenade. Secondary schooling is available in nearby Saltwood with both boys' and girls' grammar schools being available in Folkestone. The area is also well serviced by golf courses including The Hythe Imperial, Sene Valley and Etchinghill. The M20 Motorway, Channel Tunnel Terminal, and Port of Dover are all easily accessed by car. Canterbury City centre is also approximately 30 minutes away by car and offers cultural facilities including the Cathedral and Marlowe Theatre.
