PROPERTY DETAILS

An exceptional modern detached residence, beautifully positioned within a highly sought-after and established cul-de-sac setting, offering the perfect balance of peace, privacy and convenience. Tucked away from the bustle of the town centre, the property enjoys a tranquil setting whilst remaining within easy reach of an excellent range of local amenities including shops, restaurants, highly regarded primary schools, doctors and dental surgeries. Perfectly placed for commuters, the area benefits from excellent road, rail and bus links connecting to the major business centres of West Yorkshire and East Lancashire, with the picturesque market towns of Ilkley, Skipton and Keighley all just a short drive away.

Immaculately presented throughout, this impressive family home offers spacious centrally heated and double glazed accommodation designed for modern living. A welcoming entrance hall with cloakroom leads through to a superb open plan lounge and dining area, ideal for both relaxing and entertaining. The heart of the home is undoubtedly the recently installed high-quality Wrens fitted kitchen, beautifully appointed with contemporary fittings and seamlessly flowing into a generous utility area with internal access to the garage. Bi folding doors open out to the garden area seamlessly connecting both spaces.

The property boasts four well-proportioned bedrooms, including an en-suite shower room (which is in need of a little modernisation) to the principal bedroom, together with a modern family bathroom. In addition, a versatile loft studio area accessed via a pull-down ladder provides the perfect space for a home office, hobbies room or occasional retreat.

Externally, the property continues to impress with a mature and beautifully stocked sunny rear garden, creating a wonderful private outdoor sanctuary complete with pergola and storage shed. A half garage and excellent on-site parking further enhance the practicality of this outstanding home. Offering space, style and a superb location, this truly is a property that must be viewed to be fully appreciated.
