## Instructions for sellers

The answers in the TA6 form must be prepared by:

- the owner named on the HM Land Registry title and/or title deeds, or
- any legal representative selling under a power of attorney, trust or grant of probate or representation

All the sellers must prepare the answers and sign the form.

Buyers can rely on the information you give in the TA6 form.

If you give misleading information, the buyer may be able to claim compensation after completion.

If you give incomplete information or fail to answer, this may delay the transaction or cause the buyer to withdraw.

**For more information on the form and help answering the questions, read the separate explanatory notes:**

[www.lawsociety.org.uk/ta6-explanatory-notes](http://www.lawsociety.org.uk/ta6-explanatory-notes)

## Important things to remember:

- Answer the questions truthfully, completely and as accurately as you can from your own knowledge (or from information held by the owner if you are their representative)
- You are not expected to have legal or technical knowledge, but you are expected to have a reasonable basis for the answers that you give
- You might not know what occurred during a previous ownership of the property, but you should include information about anything you do know if relevant to the questions
- Check your answers match the information reasonably available to you
- If you do not know any answer, you must say so. If you are unsure about any of the questions, check the separate explanatory notes or ask your solicitor
- If any information you have given or arrangement you've made is wrong or has changed, inform your solicitor immediately
- Give your solicitor any documents or other papers which relate to the questions in the TA6 form. For example, copies of any planning permissions or building control consents. If any documents are lost or missing, tell your solicitor
- If any information in the TA6 form has been prepopulated, check the information and make sure it is accurate
- Read the definitions below. These explain the meaning of many words and phrases used in the questions

## Documents you may need to complete the TA6 form

- Utility bills
- Information about facilities and services
- Planning permissions and building control consents
- A copy of the Land Registry title documents, party wall notices and any other notices or consents
- Competent person certificates
- Any guarantees and warranties
- Information about any works you've carried out and arrangements for parking etc.

## Other transaction (TA) forms you may need to complete

If all or any part of the property is held on a lease, you must also complete the Leasehold Information Form (TA7).

The TA7 form has additional questions for leasehold properties.

Contact your solicitor if you think you may need to complete the TA7 form.

You may be asked to complete other forms such as a Fittings and Contents Form (TA10).

## Information for buyers

Buyers should tell their solicitor if they receive any other information about the property separately from the TA6 form and they wish to rely on it.

This could be information received in writing or in conversation.

The information could be directly from the seller or through an estate agent, solicitor or online.

### Buyers should also:

- ask their solicitor about enquiries and investigations that can be carried out to obtain up-to-date information
- instruct a surveyor to carry out a survey to make sure they are informed about the physical and structural condition of the property

**For more information on the questions in the form, read the separate explanatory notes:**

[www.lawsociety.org.uk/ta6-explanatory-notes](http://www.lawsociety.org.uk/ta6-explanatory-notes)

## Important things to remember

- The seller will complete the TA6 form to the best of their knowledge
- Sellers can only tell buyers about matters they know. They may not have legal or technical knowledge. For example, they may not understand surveys or other reports. They may not know about matters prior to their ownership of the property
- Even where the seller has guarantees or other documents relating to the condition of the property, the seller is not giving any warranty about it
- The seller's solicitors, its members, partners, employees, consultants or other staff have no liability for the accuracy of the replies given
- Where buyers are getting a mortgage, they should not rely on any inspection or valuation report carried out for the benefit of their lender
- It is not the seller's or buyer's solicitor's responsibility to check the physical state or condition of the property
- Read the definitions below. These explain the meaning of many words and phrases used in the questions

## Definitions

**'Buyer'** means all buyers together where the property is being bought by more than one person.

**'Completion'** means the stage where:

- the sale price is paid to the seller
- ownership of the property passes to the buyer, and
- the seller hands over the keys

**'Consents'** means the formal permissions required from any person or body who has a legal right to control what happens to a property. Consents are often related to property developments or alterations.

**'Flooding'** means any case where land not normally covered by water becomes covered by water.

**'Leasehold'** means you have a lease of the property for a fixed number of years, with another person owning the freehold or a superior lease.

The lease will usually include obligations and restrictions. The person who owns the freehold or superior lease (the landlord) can enforce them and may require you to pay rent or other sums to them.

If the property is a flat or maisonette, the leasehold may not include the structure or common parts of the building or the land on which it stands.

**'Listed building'** means a property of special architectural or historic interest that is "listed" in the **National Heritage List for England** or the **National Historic Assets of Wales**.

**'Property'** includes all buildings and land within its boundaries.

**'Sale contract'** means the legal contract between the buyer and seller for the purchase/sale of the property.

It is a legal document. Once the contract is exchanged it is legally binding on all parties.

**'Seller'** means all sellers together where the property is owned by more than one person.

This includes anyone who is acting on their behalf as a personal representative, attorney or trustee, or a company.

**'Solicitor'** includes, for the purposes of this form, **'conveyancer'** as defined by **HM Land Registry Practice Guide 67**.

**'Title deeds'** means the legal documents that prove ownership of land and property. Most title deeds are held electronically by HM Land Registry.

**'Title plan'** means a diagram that outlines the boundaries of a registered property or land, as recorded by HM Land Registry.

**'You'** and **'your'** refers to the seller or, where applicable, the personal representatives, attorneys or trustees for the seller.
