The current owner says:

Set within an attractive period building on the borders of Ealing Common and Acton, this spacious four-bedroom, two-bathroom first-floor flat offers approximately 1,022 sq ft of well-proportioned accommodation.

The property has been recently updated and features a newly fitted kitchen with integrated appliances, including a dishwasher and washer/dryer, together with two newly fitted shower rooms. All four bedrooms are generously proportioned, making the flat well suited to professional sharers or a family.

Further highlights include high ceilings, attractive period features and bay windows, which enhance the sense of space and character throughout the property.

Located on Twyford Avenue, one of Acton's most desirable residential roads, the property is ideally positioned for access to the amenities and transport links of both Acton and Ealing. Ealing Common Underground Station provides Piccadilly and District line services, while West Acton Station offers Central line connections, with both within easy walking distance.
