Tucked away in a quiet turning in Beambridge Place, this well presented and deceptively spacious three bedroom mid-terraced bungalow offers stylish, single-level living with a layout that's as practical as it is inviting.

Step inside and you're welcomed by a bright entrance hallway leading to an inner hallway that neatly connects the home's well balanced accommodation. The standout feature is undoubtedly the beautifully appointed and impressively sized kitchen/diner — a space designed for both everyday living and sociable moments. Complete with a breakfast bar island, integrated appliances and generous dining space, it's the sort of kitchen where conversations tend to linger long after dinner is finished. From here, doors open to a charming courtyard side garden, perfect for morning coffee or a quiet evening escape.

The lovely size lounge offers a relaxing retreat and enjoys direct access to the rear garden, creating an effortless flow between indoor comfort and outdoor living.

There are three well proportioned bedrooms, each offering excellent versatility whether used for sleeping, working from home or accommodating guests, all served by a smart, modern shower room and an additional separate WC for convenience — ideal for families or when entertaining.

Outside, the property continues to impress with two separate garden spaces. The rear garden, accessed from the lounge, provides a pleasant setting for relaxing or entertaining, while the courtyard side garden, reached from the kitchen, adds a second outdoor spot that's perfect for alfresco dining or a peaceful start to the day.

Homes that combine space, style, and single-storey practicality are always in demand, and this one does so with ease. A bungalow that proves you don't have to compromise on room — inside or out — to enjoy life all on one level.
