The property has been extensively renovated by the current owners and is finished to a high standard throughout, combining character with modern family living.

To the front of the house is a cosy sitting room featuring a bay window and feature fireplace, creating a welcoming space. The kitchen/dining room has been opened up to provide a superb hub of the home, complete with a stylish shaker-style kitchen and ample dining space, ideal for both everyday living and entertaining.

At the rear of the property is a bright family room with vaulted ceiling overlooking the garden. This versatile room could also serve as a fourth bedroom, particularly as it sits alongside a ground floor shower

room. The ground floor also benefits from a separate study, perfect for working from home, with access through to the integral garage.

Upstairs, there are three generous double bedrooms, some enjoying far-reaching sea views, along with a family bathroom and separate W.C. A partial loft conversion has also been created with an electric loft hatch, ladder and window, making the most of the elevated views towards the Isle of Wight.

Externally, the property features a gated driveway to the front leading to the garage, while the immaculately maintained rear garden is laid mainly to lawn with mature borders. At the rear sits a recently built summer house with additional storage, along with further parking for two vehicles.

Our fee is competitively priced, and we can help advise and arrange mortgages and protection for anyone, regardless of who they are buying and selling through.

If you're looking for advice on borrowing power, what interest rates you are eligible for, submitting an agreement in principle, placing the full mortgage application, and ways to protect your health, home and income, look no further!

BUYER VERIFICATION

Offer Check Procedure - If you are considering making an offer for this or any other property we are marketing, please make early contact with your local office to enable us to verify your buying position. Our Sellers expect us to report on a Buyer's proceedability whenever we submit an offer.

RECOMMENDED SOLICITORS

Choosing the right conveyancing solicitor is extremely important to ensure that you obtain an effective yet cost-efficient solution. The lure of supposedly cheaper on-line "conveyancing warehouse" style services can be very difficult to ignore but this is a route fraught with problems that we strongly urge you to avoid. A local, established and experienced conveyancer will safeguard your interests and get the job done in a timely manner. We can recommend several local firms of solicitors who have the necessary local knowledge and will provide a personable service. Please ask a member of our sales team for further details.
