THE PROPERTY

The property is approached via a sweeping driveway, rising to an elevated position that enjoys views across the village church and beyond.

Upon entering, a spacious and welcoming entrance hallway leads to the ground floor accommodation. The bright and generously proportioned sitting room features a large box bay window, with views over the front garden. The dining room provides an ideal space for entertaining and opens through to a light-filled conservatory, which overlooks the secluded rear garden.

The tastefully appointed kitchen also enjoys views over the rear garden and is fitted with black quartz work surfaces and cream shaker-style base and wall units. Integrated appliances include a dishwasher, gas hob, and eye-level double electric oven, along with space and plumbing for a washing machine and tumble dryer. Off the kitchen is a useful porch to store shoes and coats.

Bedrooms one and two are located on the ground floor to the front and rear respectively. Both rooms are bright and spacious, offering fitted storage and comfortably accommodating double beds.

A modern bathroom completes the ground floor, comprising a wash hand basin, W.C., and bath with shower over.

Bedroom three is situated on the first floor and is equally well-proportioned, with ample space for a double bed and additional storage. An additional bathroom on this floor, fitted with a W.C., wash hand basin, and bath with shower over, makes it an ideal guest suite.

OUTSIDE

The property enjoys generous gardens to both the front and rear. The front garden is predominantly laid to lawn, with a pathway leading to the entrance. The rear garden is also mainly laid to lawn and features a sunny patio area, accessible from both the conservatory and kitchen.

Further features include an ornamental pond and, at the end of the garden, a secluded gravelled seating area with a summer house (with power connected) and space for a greenhouse or vegetable plot.

A detached single garage includes a useful workshop to the rear with direct access to the garden. To the front of the garage, the driveway provides off-road parking.
